HOW TO ORDER TICKETS

Your company will provide you with the Discount Entertainment Guide at the beginning of every month. Simply:

1. Choose the event on the Guide that you would like to attend.
2. The selected show's description contains a phone number and code. In order to have the discount, call the number and mention the corresponding code. (Or, bring a printed out copy of the Guide to the Box Office and avoid phone ordering fees.)
3. Your tickets can be mailed to you or left at the Box Office to be picked up the night of the performance. To save on mailing fees, opt to pick the tickets up – just remember to bring the credit card you used to purchase the tickets for verification!
