Survey of CUNY Study Abroad and Student Exchange Programs-2004/2005
Part C

In order to get a more complete picture of the participation of CUNY students in overseas activities we are currently seeking information on CUNY student participation in non-CUNY study abroad and international exchange activities from Summer 2004 through Spring 2005.

Directions:

Form C.1 seeks to capture data on student participation in non-CUNY study abroad and exchange. These are study abroad and exchange programs that are sponsored by other public and private universities or study abroad/travel institutions. For the purposes of this survey we define study abroad or student exchange programs as any overseas, credit-bearing program, including summer or inter-session as well as semester or academic year programs.

Please complete form (C.1) indicating the number of students at your college who participated in non-CUNY programs between Summer 2004 and Spring 2005.

* Reminder: Please return parts A, B, and C of the survey by May 27, 2005 to:
